The background features a dark blue grid with various financial charts. At the top left, there is a small icon of a classical building with columns. Below it, there are several candlestick charts in different colors (blue, green, orange) and line graphs. A prominent feature is a large, light-colored arrow pointing upwards and to the right, overlaid on a green line graph. In the upper right area of the grid, there is a text label 'Oil' followed by a green upward triangle and the number '2.45', and a red downward triangle and the number '0.96'.
